

**Yinan He (China)**

Yinan He enrolled at CATS College Cambridge in September 2011.

In the June 2012 GCE A-level examinations he gained a Distinction in the Advanced Extension Award paper in Mathematics. His performance in the STEP Mathematics I paper was graded Outstanding. His performance in Pre-U Global Perspectives paper was graded Pass 1. He was awarded Gold, Silver and Bronze medals respectively for his performances in the 2012 Physics, Chemistry and Mathematics Olympiads.

In the June 2013 GCE A-level examinations he gained passes at grade A\* in Mathematics and Further Mathematics, together with a grade A pass at AS-level in Further Mathematics (Additional). In the Pre-U examinations, his Physics and Chemistry papers were both graded Distinction 2. His performance in the STEP Mathematics II & III papers were both graded Outstanding. He was awarded a Gold medal for his performance in the 2013 Physics Olympiad and was placed in the top 50 in the country out of entry of 1800.

Last summer, he secured an internship at Strathclyde University as a junior assistant in a team of electronic engineers working on the development of a microwave radar system.

Yinan He has been admitted to **Trinity College, University of Cambridge**, in October 2013 to read Mathematics.

---

**Maxwell Frost (USA)**

Maxwell Frost enrolled at CATS College Cambridge in September 2011.

In the June 2012 GCE A-level examinations he gained a Distinction in the Advanced Extension Award paper in Mathematics. His performance in the STEP Mathematics I paper was graded Outstanding. His performance in Pre-U Global Perspectives paper was graded Pass 1. He was awarded Gold, Silver and Bronze medals respectively for his performances in the 2012 Physics, Chemistry and Mathematics Olympiads.

In the June 2013 GCE A-level examinations he gained grade A\* passes in Mathematics and Further Mathematics, together with a grade A pass at AS-level in Further Mathematics (Additional). He gained a Distinction 1 pass in Pre-U Physics and a Distinction 2 pass in Chemistry. He received a Grade 3 for his performance in the STEP Mathematics II paper. He was awarded a Bronze II medal for his performance in the 2013 Physics Olympiad.

Maxwell Frost has been admitted to **Queens' College, University of Cambridge**, in October 2013 to read Natural Sciences (Physical).

---

**Miss Ludivine Clement (France)**

Miss Ludivine Clement enrolled at CATS College Cambridge in September 2012.

In the June 2013 GCE A-level examinations she gained grade A\* passes in French and Russian, together with a grade A pass in Sociology and a grade C pass in Biology.

Miss Ludivine Clement has been admitted to **Jesus College, University of Cambridge**, in October 2013 to read Modern & Medieval languages

---

**Miss Sophie Koudmani (Germany)**

Miss Sophie Koudmani enrolled at CATS College Cambridge in September 2010 but chose to sit the German Arbitur examinations rather than GCE A-level.

In the June 2013 Arbitur examinations she gained an overall pass of 1.0, with scores of 15 in both Mathematics and Physics. In addition, she scored very highly in the University of Oxford Physics Admission Test.

Miss Sophie Koudmani has been admitted to **New College, University of Oxford** in September 2013 to read Physics.

---

**Miss Jingwen Chen (China)**

**A\*A\*A**

Miss Jingwen Chen enrolled at CATS College Cambridge in September 2011.

In the June 2012 GCE A-level examinations she gained a Merit in the Advanced Extension Award paper in Mathematics. Her performance in the STEP Mathematics I paper was graded 2.

In the June 2013 GCE A-level examinations she gained grade A\* passes in Mathematics and Further Mathematics, together with a grade A pass in Economics. She also gained a grade A pass in Physics at AS-level.

Miss Jingwen Chen has been admitted to **University College London** in September 2013 to read Statistics, Economics & Finance.

---

**Miss Xin Wang (China)**

**A\*A\*A\*A\***

Miss Xin Wang enrolled at CATS College Cambridge in September 2011.

In the June 2012 GCE A-level examinations she gained a Distinction in the AEA Mathematics paper and a grade 2 pass in STEP Mathematics I. She was awarded gold and bronze medals respectively in the Mathematics and Physics Challenges.

In the June 2013 GCE A-level examinations, she gained grade A\* passes Mathematics, Further Mathematics, Chemistry and Physics. She was awarded a Gold medal for her performance in the 2013 Physics Olympiad and was placed in the top 100 in the country out of entry of 1800.

Miss Xin Wang has been admitted to **Imperial College of Science & Technology**, London, in September 2013 to read Chemistry.

---

**Fung Wa Cheung (Hong Kong Chinese)**

**A\*AA**

Fung Wa Cheung enrolled at CATS College Cambridge in January 2012.

In the June 2013 GCE A-level examinations he gained a grade A\* pass in Mathematics, together with grade A passes in Economics and Physics. He also gained a grade A pass in Further Mathematics at AS-level. His performance in the Pre-U Global Perspectives & Research paper was graded Merit 2.

Fung Wa Cheung has been admitted to **University College London** in September 2013 to read Arts & Sciences.

---

**Taner Can Guven (Turkey)**

**A\*AA**

Taner Can Guven enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations he gained a grade A\* pass in Economics and grade A passes in History and Sociology.

Taner Can Guven has been admitted to the **London School of Economics & Political Science** in September 2013 to read International Relations.

*CATS College Cambridge – June 2013*  
*Profiles of Topmost Achievers*

**Miss Tang Thuy Trang Ngo (Vietnam)**

**AAA**

Miss Tang Thuy Trang Ngo enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations she gained grade A passes in Mathematics, Chemistry and Economics, together with a grade A passes in Further Mathematics at AS-level.

Miss Tang Thuy Trang Ngo has been admitted to **University College London** in September 2013 to read Economics & Business with East European Studies.

---

**Miss Quynh Ngan Nong (Vietnam)**

**ABB**

Miss Quynh Ngan Nong enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations she gained a grade A pass in Mathematics together with grade B passes in Economics and Sociology. She also gained a grade C pass at AS-level in Further Mathematics.

Miss Quynh Ngan Nong has been admitted to the **University of Bristol** in September 2013 to read Social Policy.

---

**Miss Hanah Salih (Singapore)**

**A\*AA**

Miss Hannah Salih enrolled at CATS College Cambridge in January 2012.

In the June 2013 GCE A-level examinations she gained a grade A\* pass in Mathematics together with grade A passes in Economics and Physics. She also gained a grade A pass in Further Mathematics at AS-level.

Miss Hannah Salih has been admitted to **University College London** in September 2013 to read Arts & Sciences.

---

**Wai Shing Wong (Hong Kong Chinese)**

**A\*A\*A**

Wai Shing Wong was enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations he gained grade A\* passes in Mathematics and Further Mathematics together with a grade A pass in Economics.

Wai Shing Wong has been admitted to **University College London** in September 2013 to read Statistics, Economics & Finance.

---

**Miss Yuanhui Wu (China)**

**A\*A\*AA**

Miss Yuanhui Wu enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations he gained grade A\* passes in Mathematics and Further Mathematics together with grade A passes in Chemistry and Physics.

Miss Yuanhui Wu has been admitted to the **University of Bath** in September 2013 to read Civil & Architectural Education.

---

**Miss Tzu-Hsuan Kao (Taiwan)**

**A\*AA**

Miss Tzu-Hsuan Kao enrolled at CATS College Cambridge in September 2011.

In the June 2013 GCE A-level examinations she gained a pass at grade A\* in Mathematics, together with grade A passes in Biology and Chemistry. She also gained a grade A pass in Further Mathematics at AS-level.

Miss Tzu-Hsuan Kao has been admitted to **King's College, London**, to read Biomedical Science.

---

**Miss Jiying Luo (China)**

**AAA**

Miss Jiying Luo enrolled at CATS College Cambridge in September 2011.

*CATS College Cambridge – June 2013*  
*Profiles of Topmost Achievers*

In the June 2013 GCE A-level examinations she gained grade A passes in Mathematics, Business Studies and Accounting.

Miss Jiyong Luo has been admitted to the **University of Exeter** in September 2013 to read Accounting & Finance with Industrial Experience.

---

**Miss Shoko Hirosue (Japan)**

**A\*A\*A\*A\***

Miss Shoko Hirosue enrolled at CATS College Cambridge in January 2012.

She achieved a Gold medal in the 2012 University of Cambridge Chemistry Challenge.

Last summer, Miss Hirosue spent 4 weeks at the International Science School at the University of Heidelberg.

In the June 2013 GCE A-level examinations she achieved grade A\* Passes in Mathematics, Further Mathematics, Biology and Chemistry.

She was awarded a Silver medal for her performance in the 2013 Physics Olympiad and was placed in the top 200 in the country out of entry of 1800.

Miss Shoko Hirosue has been admitted to **Imperial College of Science & Technology, London**, in September 2013 to read Biochemistry.
