GETTING TO STIRLING

You can fly direct to either Glasgow or Edinburgh international airports from a wide range of international destinations. There is a direct flight from Dubai to Glasgow for example.

Alternatively, you may need to change flights. We advise that you avoid flying via Heathrow if at all possible, as it is common for students to experience delays on this route. A better option if you can't fly direct, is to travel via Amsterdam or Frankfurt.

Transfers can be arranged from either Edinburgh (EDI) or Glasgow (GLA) airport.

The journey takes 45 minutes for Edinburgh airport and 80 minutes from Glasgow airport.
